

# ASK JERRY™

## RUST ERADICATOR ONLINE-NAVIGATOR

## WHEN YOU HAVE A RUST PROBLEM -- ASK JERRY™!

ASK JERRY™ is Armor Protective Packaging's free, rust eradicator online-navigator. Give JERRY a few minutes of your time and a few details about your specific rust concerns and in return, ASK JERRY conducts a rust analysis and compiles a report of recommendations designed to help cure what ails ya!

Within minutes, you receive ASK JERRY's custom Recommendations Report with strategies and solutions to address your unique rust issues – sent directly to your screen and ready for download – straight from the Jerry-man himself! This “report-of-riches” not only recaps your rust concerns, it offers recommendations for processing and packaging your metal parts to keep them rust free, as well as strategies for identifying the cause of rust and best practices to eliminate it.

## ASK JERRY™ BENEFITS

- **EASY-TO-USE:** online, interactive, user-friendly format
- **ACCESSIBLE:** available on the ARMOR website – 24/7
- **COST-EFFECTIVE:** ASK JERRY is free -it's the best deal in town!

## SO, WHO THE HECK IS JERRY?

Jerry is a retired ARMOR sales rep renowned for going the extra mile for his customers. ARMOR wanted to capture Jerry's ability to give his customers what they needed, when they needed it and to share ARMOR's extensive rust-related knowledge, so we created our "virtual" ASK JERRY™.
